Bianca

Dainelli Studio

WALL | WALL LINEAR | TABLE | LISEUSE | SUSPENSION | DOUBLE SUSPENSION

Traendo ispirazione dall'intricata struttura di un fiocco di neve, Bianca è composta da moduli che sono stati disposti in una sequenza precisa per garantire la dinamicità della lampada.
Bianca è disponibile nelle finiture ottone e laccato nero seta opaco. Le sorgenti luminose, in finitura vetro bianco opale, sono incluse.
Montata a parete o come lampada a sospensione, utilizzata come lampada da lettura o da terra, questa lampada è sia un pezzo funzionale sia di grande impatto decorativo, che aggiunge eleganza e raffinatezza all'ambiente circostante.

Drawing inspiration from the intricate structure of a snowflake, Bianca is made of irregular modules that have been arranged in a precise sequence to ensure the lamp's stability.
The Bianca collection is available in brass and matt black silk lacquered finishes. The light sources, in opal white glass finish, are included. Whether mounted on a wall or a pendant light, used as a reading or floor lamp, this is both a functional and a striking decorative piece that adds elegance and sophistication to its surroundings.

LAMPADINE LED CUSTOM BY CONTARDI / *CUSTOM LED BULBS BY CONTARDI*

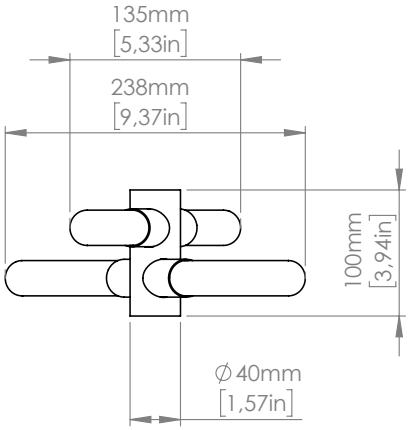

Lampadine tubolari E14 a 24V, disponibili in tre dimensioni: small, medium e large.

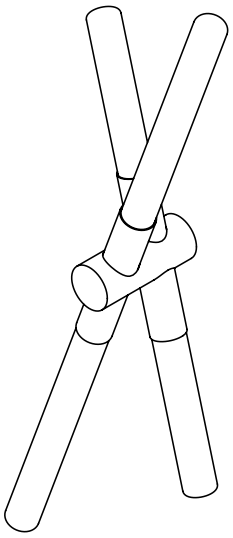

Tubular light sources E14 24V, available in three sizes: small, medium and large.

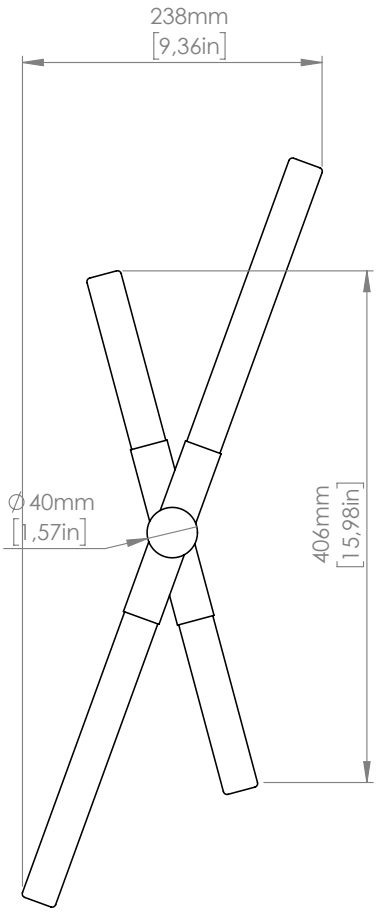

La lampada è composta da **moduli collegati senza fili tramite contatto**. Ogni modulo ha **due circuiti stampati** che trasmettono elettricità agli altri, illuminando la lampada.

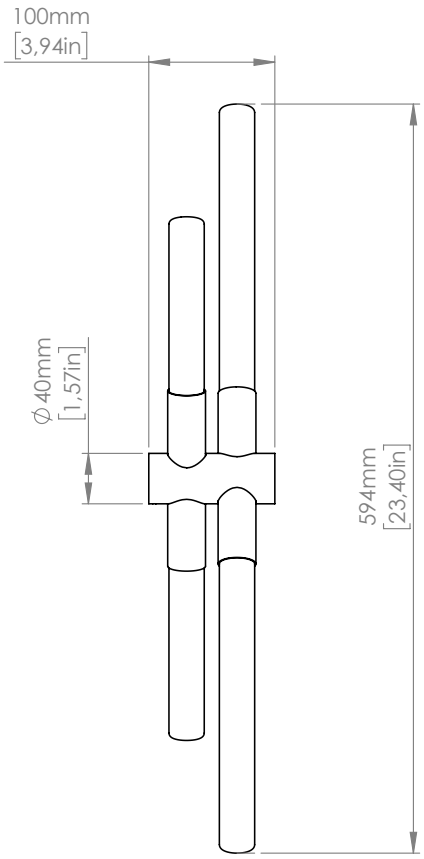

*The lamp consists of **hexagonal modules that connect wirelessly through contact points**. Each module contains **two printed circuits** that transfer electricity to the others, illuminating the lamp.*
