# EDGE ROUND Ø400

Designed by Nital Patel

## DESCRIPTION

EDGE ROUND family with Switch Tune is the latest addition to the award-winning EDGE collection by Nital Patel. Its elegant conical shape delivers both direct and indirect light: the wide edge casts strong illumination downward, while the narrow top adds ambient glow upwards. Ideal over dining tables or in meeting rooms.

This new version features a smaller ceiling base for added flexibility. It includes an extra ceiling bracket, letting you place the base where it fits best. The pendant cables can be mounted freely across the ceiling, and the fixture itself can hang either level or angled.

Equipped with Switch Tune technology, you can set the light to 2700K or 3000K during installation.
