DESCRIPTION

At 1.6 cm, SLIM doesn't occupy space — it respects it. Suspended like a whisper on two fine fabric cables, this trapezoid pendant delivers soft, warm, diffused light with a discretion that borders on invisibility. Over a dining table or meeting room, it illuminates without interruption, preserving sightlines through windows and doorways with quiet consideration. Available in three lengths — 120, 150, and 180 cm — and multiple finishes, Switch Tune technology offers 2700K or 3000K at installation. Aluminium, precision LED, and 5 cm of width. Proof that the most powerful presence is sometimes the lightest touch.
