The Party Wall Lamp

KRANEN/GILLE

'The Party' is inspired by a clan of strong, captivating personalities. Their casted ceramic faces bring to light our fascination with secrets, family dynamics and intrigue. If seen together, as a splendid party, they brighten up the stage with their cool playfulness. Yet behind the lamps' composed façades a mischievous side seeps through and touches our imagination. The characters that join The Party each have an intriguing story that connects them: the want-to-be aristocrat, the black sheep, the opportunist, the patriot and the evil mastermind. Fragments of their personalities appeal to our own hidden side, stimulating recognition, interest and curiosity.

Detailing

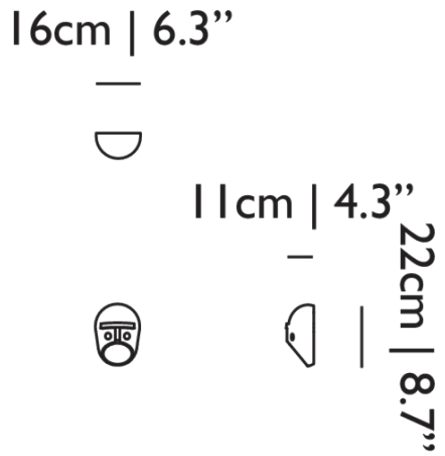

The lamps share the same basic tactile feel, a subtle roughness given by the granular ceramic finish, but are distinguished by their individual style.
