F6393035 Brick Red

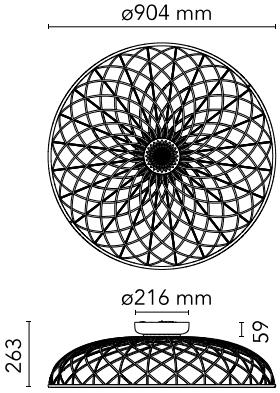

Skynest C

Designed by Marcel Wanders,Marcel Wanders studio, 2022

57W - 1515lm - 2700-2900K - CRI> 90

Diffuse lighting hanging appliance. The dome is a combination of luminous and dark elements arranged into a network and formed of core structures covered with a thin interwoven colourful tubular mesh made from recycled and recyclable fabric produced from polyester. Every single luminous element is powered by special micro-connectors located at the top of the dome and is covered with a two-tone mesh, while the side facing the inside of the dome is always white in order to allow for optimal light emission from the LED module. The appliance is fitted with a built-in balancing system at the top of the dome which helps adjust its balance, making it perfectly stable. The bottom of the dome is completed by an aluminium ring that keeps the dome's entire network structure in place through a simple snap-fit system. The product is assembled with absolutely no glue so it can be fully separated to be recycled in the future and in case of any repairs or replacements. Available lamp finishes: Blue Tourmaline, Almond, Anthracite or Brick Red.Fitted with built-in electronics that allow for the use of different dimmer systems: 0-10V / 1-10V / DALI / PUSH."

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

Main specifications

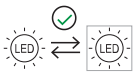

EAN	8059607058015
Mounting	Ceiling
Environments	Indoor dry location
Light Source Type	LED
LED type	LED Module
Power (W)	57
System power (W)	57
System flux (lm)	1515

Physical

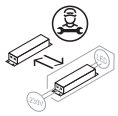

Colour	Brick Red
Length (mm)	904
Canopy colour	Red
Canopy dimension (mm)	216
Canopy height (mm)	58
Net weight (kg)	4
Package height (mm)	320
Package width (mm)	1000
Package length (mm)	1000
Package volume (m3)	0.32
IP internal	20

Ecodesign and Energy Labelling

This product contains a light source of energy efficiency class F

Replaceable (LED only) light source by an end-user

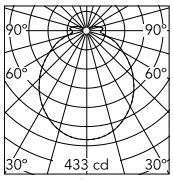

Replaceable control gear by a professional

RG 0 IEC 62471

IP 20

Schematic light drawing

Luminous flux luminaire 1515 lm

Beam Angle: 107°

h(m)	E(lx)	D(m)
1	433	2.69
2	108	5.38
3	48	8.06
4	27	10.75
5	17	13.44
