

# MILES 9.0/12.0

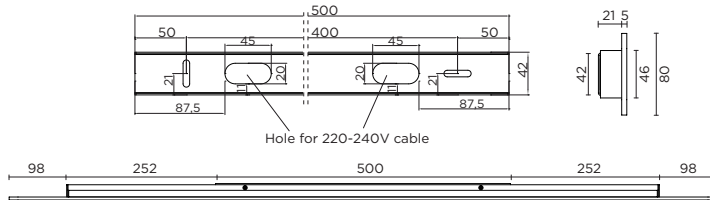

INSTALLATION INSTRUCTIONS | MAY 2020

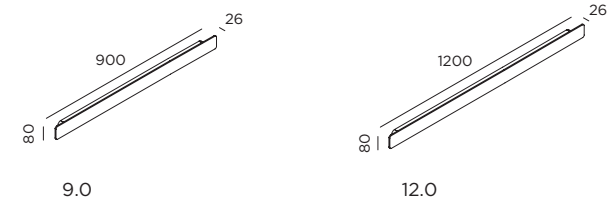

9.0 - back plate and luminaire dimensions

12.0 - back plate and luminaire dimensions

## DIMENSIONS

## MOUNTING INSTRUCTION

- 1 Remove the back plate from the luminaire body by unscrewing the screws on the side.
- 2 Fixate the back plate to the wall with 2 screws (not included).
- 3 **POWER CONNECTION**  
connect to 220-240V  
for DALI version connect to 220-240V  
DALI -  
DALI +
- 4 Fixate the luminaire body to the back plate with 4 screws (included).
- 5 Align the pins from the cover with the fixation holes in the luminaire body and press the cover in.

Due to the wooden covers being made from natural material, the shape might show irregularities that will be straightened out when correctly mounting it to the luminaire. The material of marble covers is heavy, hard and brittle. Please mount it carefully to avoid damage.
