

# NR2 Floor Lamp

BERTJAN POT

Like its suspended family members, the NR2 Floor Lamp, by Bertjan Pot, sports an elegant and bright oval-shaped bubble of white or black thread. Thanks to the airy lattice pattern of the bubble and the sleek steel column, the NR2 Floor Lamp doesn't block any views. Put this versatile design in any place that needs brightening up, such as a dark hallway or next to your favourite reading spot. The integrated LED lamp in NR2 subtly diffuses a soft and magical glow. NR2 Floor Lamp is available in two different colours.
