PRODUCT FACT SHEET

ONELINE™

Applying design to everyday, functional objects, Oneline™ is a purposeful pendant light with an artistic expression. The minimalist pendant is shaped from metal into a sleek line of light, suspended from silver-tone cables to elegantly illuminate space. Referencing Poul Kjærholm's purist lines and minimal use of materials. It is fitted with long-lasting LED technology and is dimmable so it can provide ambient and task lighting in a range of settings – from the kitchen to the office.
